

In 2019, Doorstep received a generous gift from the Hussey Holford Trust. That gift allowed the agency to establish an endowment fund. This fund will provide for the long-term financial stability of the agency so that we may continue to provide emergency services for our neighbors.

The endowment fund is administered through the Topeka Community Foundation. Investments are managed through the Foundation's management firm with an expected term in perpetuity.

A Legacy of Helping Neighbors

Doorstep has been here, helping our neighbors since the 1966 tornado. It is through donors like our member congregations, individuals, community groups and businesses that we are able to provide for these vital emergency services on a daily basis.

We have established the Doorstep, Inc. Endowed Fund with the Topeka Community Foundation, to make it even easier to leave your legacy of helping your neighbors in need. You can provide a planned gift that will assist future generations with much needed assistance.

Your legacy gift to Doorstep can help us continue this vital work into the future. You can designate a specific amount or percentage of your estate assets to Doorstep. Please review the many gift options on the inside cover with your estate planner, attorney or tax advisor.
